

MATERNITY RATES

CARE OF MOTHER

Wards, starting at.....	\$14.00
Semi-Private, starting at.....	16.00
Private Rooms, starting at.....	19.00
DeLuxe Private	23.00

CARE OF BABY

Care of the baby in the regular nursery will be charged for at \$6.00 per day while the mother remains in the hospital as a patient. This charge is \$8.00 per day if the baby stays after the mother is discharged.

Multiple births carry this charge for each baby. Includes general duty nursing service, necessary supplies, formulae, garments, incubator.

OBSTETRICAL SERVICE

Obstetrical Service Cost.....\$30.00

Every patient entering the maternity department will need the use of birth room. The rates include minor laboratory work, ordinary birth room supplies and medicines, and care of the baby at birth.

Caesarian operation increases the above charges by \$30.00 and in these cases an extra anesthetic charge is added.

OTHER POSSIBLE COSTS

For use of circumcision room, \$5.00, plus laboratory work necessary on baby.

For use of special room for ritual circumcision service, \$10.00.

The hospital bill does not include the fees of special nurses.

The rates also do not cover personal items or treatment, either medical or surgical, beyond the limits of normal maternity service.

TIME OF DEPARTURE

Due to congested hospital facilities we must ask patients' cooperation in leaving as early as possible the day of discharge, preferably as early as 11:00 A.M., and not later than 1:00 P.M.
