**Re: Invitation to Comment as a Consulting Party
Proposed Telecommunications Tower
Site Name: Hickory Valley
Site No.: HVTN-1
Address: 535 Lake Hardeman Road
Hickory Valley, Hardeman County, Tennessee
Terracon Project Number: A8107311**

Dear Mr. Ellis:

Our client, Star Towers, LLC, proposes to construct a telecommunications tower with additional ground equipment at the above location. On behalf of Star Towers, LLC, Terracon is inviting your comments on the effect of the above referenced project on historic resources within the project Area of Potential Effects (APE) that are eligible for the National Register of Historic Places. We are requesting your review pursuant to Section 106 of the National Historic Preservation Act, the Advisory Council on Historic Preservation's regulation for compliance with Section 106, the Nationwide Programmatic Agreement on the Collocation of Wireless Antennas (adopted March 16, 2001), and the Nationwide Programmatic Agreement effective March 7, 2005.

A Tower Data Sheet and a Site Vicinity Map indicating the site location and APE are attached for your review. Field assessment for both historic properties and archaeological sites will be conducted and a determination will be made of the project's direct and indirect effects on Historic Properties. Consulting parties are invited to provide information concerning historic properties or archaeological sites already listed in the National Register of Historic Places or that could be eligible for listing. If you would like to comment of this undertaking, please respond to this letter within 30 days of receipt.

Sincerely,

Terracon

Mark C. Christian, PE
Project Manager

Cc: Mayor Willie E. Spencer (mayorspencer@aeneas.net)

TOWER DATA SHEET

7876 Stage Hills Blvd., Suite 105
Bartlett, Tennessee 38133
901-377-7325; 901-377-7327 (Fax)

Site Name: Hickory Valley Site No.: HVTN-1 TCNS ID: 62721

Address: 535 Lake Hardeman Road (Map 122, Parcel No. 016.00, Owned by Billy C. Powell)

City: Hickory Valley County: Hardeman State: Tennessee

Terracon Project No.: A8107311

Construction Type: New Build Tower Type: Guyed Tower

Tower Height: 340 feet Compound Size: 100 ft. by 100 ft.

Latitude: 35° 8' 57.6" Longitude: 89° 7' 15.8"

Elevation: 571 feet NGVD Access Road: 20 ft. by 300 ft.

Supplemental Information

Existing Antenna(s): Yes No FCC#: _____

Zoning: FAR

Lighting Type: Dual mode, medium intensity strobe

Compound Expansion (Co-locates Only): Yes No N/A

(If Yes) Comments: _____

Existing Towers In Area: No Yes _____

Creeks/Streams/Wetlands Onsite: Yes No

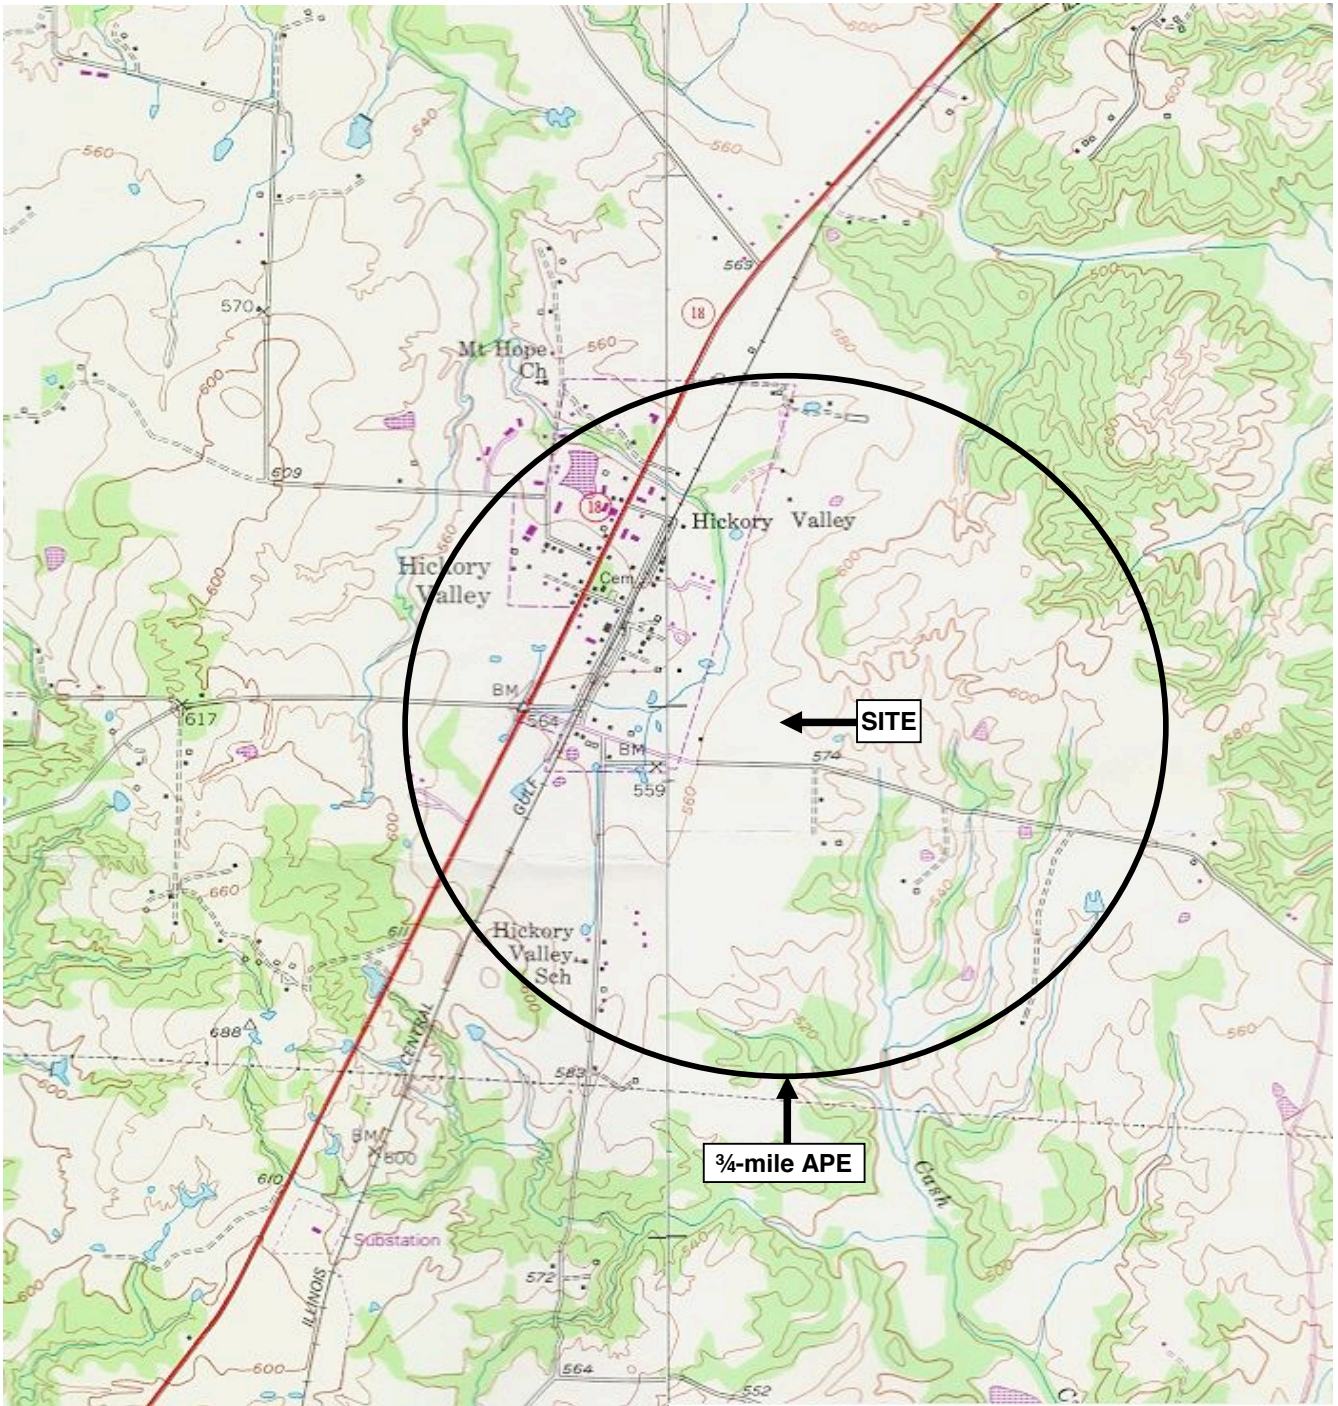

Archaeology Survey Conducted: Yes No

Existing Site Conditions: The proposed tower site is located on the north side of Lake Hardeman Road approximately 1/2 mile east of its intersection with State Highway 18 in Hickory Valley. The proposed tower site is located approximately 300 feet north of Lake Hardeman Road in a pasture.

Adjacent Property Use: Farmland Residential _____ Commercial

Wooded Other _____

The typical tower construction usually requires minimal excavation and disturbance to the site and adjacent properties. Standard construction site controls, including the installation of silt fences, are implemented during site construction. These controls aid in minimizing disturbance to the site and adjacent properties. Co-locate tower construction requires little or no excavation for construction.
