

# Resolution

*In loving memory of our beloved Sister Georgie LaRue  
On this Thursday, the Thirtieth Day of December, Two Thousand and Ten*

**Whereas** The View from Mt. Pisgah Magazine, is a ministry of Mt. Pisgah African Methodist Episcopal Church that ministers to the spiritual, intellectual, physical and emotional needs of all people through journal.

**Whereas** Sister Georgie LaRue as a faithful disciple of this ministry was a featured columnist in The View from Mt. Pisgah magazine offering inspirational and historical contributions until she began to encounter health problems.

**Whereas** we praise God for Sister Georgie's diligence, encouragement and support always. She epitomized Matthew 5:16 which states *"Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."*

**Whereas** this ministry is indeed more rich because of her choosing to serve for God's purpose; and her contributions have had an impact on far more souls than we can imagine.

**Be It Resolved** that the January 2011 edition of The View from Mt. Pisgah Magazine will be dedicated to the memory of Sister Georgie LaRue; and furthermore a column will be presented as a celebration of her life.

We know that Georgie LaRue lived a life to ensure her eternity.

*We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord. - 2 Corinthians 5:8*
