Solari Report Update

Reinventing America's Homes and Buildings with Mat Stein - March 27th

By Catherine Austin Fitts

The signals are everywhere. The flow of inexpensive financing to fund larger homes and homeownership in America is coming to the end. Congress is proposing to convert Fannie Mae and Freddie Mac to a coinsurance scheme. Real estate developers are talking about REITS and rental bonds. The Fed is laying the groundwork to raise interest rates.

But it is not just the financial developments inspiring change. Weird weather, tornados, hurricanes, droughts, fires, earthquakes, and harsh winters – they all inspire modifications to our homes and

Join Us at Secret Space Program & Breakaway Civilization, June 28th and 29th

The Secret Space Program & Breakaway Civilization event in San Mateo, California in the San Francisco Bay Area on the weekend of June 28-29 will be memorable. I will be with Dr. Joseph Farrell, Richard Dolan and a wonderful group of speakers gathered to ask some serious questions about the “deep state” and what in the world is really happening. For anyone interested in understanding the most powerful invisible trends behind global geopolitical and financial trends, this one’s for you!

See you there.

UFO's for 21st Century Minds with Richard Dolan is Available to the Public!

At Richard Dolan's request, we have made this Solari Report interview public after our subscribers have had [access](#) to it for the last month. Richard’s new book, *UFOs for the 21st Century Mind*, makes a significant contribution to a wider understanding of the UFO phenomenon and how it impacts our governance and economy. The book and this interview come with my highest recommendation. [See it here!](#)

Highlights from Last Week's Report

"John Williams has a wonderful company called ShadowStats, and it is the premier website for hard information on the real facts of the economy. In anticipation of some of the things happening in the employment sector, John has agreed to join us today to brief us on the employment statistics, what's really happening with employment in North America and what that means to the economy. Tell us what's been happening with employment statistics recently, and then let's track back as to how the official numbers got so far away from the real numbers."
