Highlights from Last Week's Report

"Joe Mysak reports at Bloomberg. He does a weekly video and writes many great articles and publishes their municipal briefs. He also tweets. He has a lot of great content. The inspiration for why I invited Joe to join us today is for the *Municipal Market First Half 2014 Stat Book*. It's very rich with interesting things going on. The municipal bond market is very interesting for both investors and people just interested in knowing what's going on in the world

So, Joe, welcome to The Solari Report, and tell us about your *Stat Book*."
